1.18.2

March 23, 2022

CHANGED:

FUNCTIONS

- Functions now lead with /function niknok:_commands/, no longer /function niknok:___commands/
- Function niknok:_commands/reset_technical_advancements renamed to niknok:_commands/reset_technical

LANG

- This datapack now requires the usage of *Nik's Original Achievements Langpack* (renamed from *Nik's Original Achievements Addon*) in order to support multiple languages.

FIXED:

ADVANCEMENTS

- On a rail *(Wasn't being granted if heading south; could also be granted when destroying a boat while standing on it under specific circumstances)*
- When Pigs Fly *(Addressed general wonkiness. It should be more reliable now)*
